EXPERIENCE

Mettler Toledo Rainin LLC

Design Intern in Research & Development (Summer 2025)

- Collaborated with a cross-functional engineering team to design and map on-device screen flows and GUI flowcharts for a new product using Adobe XD
- Provided UX feedback throughout the development process, identifying opportunities to improve usability and enhance the user experience
- Refined interface icons and visual elements to align with product design standards
- Coordinated design review meetings via Microsoft Teams to align stakeholders on changes and decisions

Home Instead In Home Senior Care

Graphic Design Intern (Spring 2025)

- Supported a franchise location through a full rebranding initiative, updating all client-facing marketing materials to align with new brand guidelines
- Designed and produced a complete client care packet — including service flyers, informational sheets, and a client care folder — now actively distributed to all new clients
- Attended weekly design review meetings via Microsoft Teams to present drafts, incorporate supervisor feedback, and iterate on deliverables
- Created flyers, forms, and branded folders consistent with the company's updated visual identity

LOS MEDANOS COLLEGE

Transfer & Career Services Student Ambassador (2023–2024)

- Served as a point of contact for students navigating transfer and career resources, scheduling counselor appointments and responding to inquiries
- Created and distributed event flyers using Canva and managed postings on the LMC website
- Supported event logistics and setup for Transfer and Career department programs
- Presented at Transfer Academy orientations for prospective community college students, assisting families with registration and campus connection
